Mommy, can I go out and kill tonight?
I feel, I feel like taking a life.
Please, I wanna seal the kitchen knife
and feel, feel like taking a life.

Rippin kittin kidding on the round (x2)

Daddy, can I go and haunt tonight
like you do on Sunday mornings.
Honey, give me a real gentle knife
to feel, feel like taking my life.

Rippin kittin kidding on the round (x4)

Mommy, can I go out and kill tonight?
I feel, I feel like taking a life.
Please, I wanna seal the kitchen knife
and feel, feel like taking a life.

Rippin kittin kidding on the round (x4)

Mommy, daddy, please let me go (x2)
