[Young Buck:]

Aiyo, hip hop is a beautiful thing  
Until somebody die ha ha ha

[Vocal Sample:]

Daydreams, I fell asleep beneath the flowers  
For a couple of hours  
On a beautiful day  
Daydreams, I fell asleep beneath the flowers  
For a couple of hours  
Such a beautiful day

Daydreams, I fell asleep beneath the flowers  
For a couple of hours  
On a beautiful day  
Daydreams, I fell asleep beneath the flowers  
For a couple of hours  
Such a beautiful day

[Young Buck:]

G Unit !!!! South  
Yeah  
I got this niggas  
I'm baaaaaaack

[Verse 1: Young Buck]

Its like everybody mad in hip hop  
They sad when they get hot  
Go broke and stay scared to grab that Zip Lock  
Election time comin' the dope goin' up  
Niggas put you out the game man you ain't showin' up  
Got to rob Little Johnny  
For his quarter bird money  
Ever since I put him on its like I ain't heard from him  
And they raided the number house  
Thats when I felt lucky  
Should've played my little girl's birthday but fuck it  
Its a cold world

[50 Cent:]

Aiyo pull that back man  
Aiyo play that again man

You know what I'm sayin'?  
Hey, how you work how you work this?  
Turn the knob  
Turn the music up  
Turn it up so they can hear it louder out there

[Young Buck:]  
Aiyo, hip hop is a beautiful thing  
Until somebody die ha ha ha

[Vocal Sample:]

Should've played my little girl's birthday but fuck it  
Its a cold world  
Thats why my old girl  
Called the police and told 'em that I sold furl  
Gave up Earl and Sherl  
And gave life to Durl  
So could you hand me that can I think i'm 'gon hurl  
Cause you ain't ever had to steal water from your  
neighbor's house

Or pay Chris The Clown to perform when your cable out  
Now i'm parked in the projects waitin' on 50  
Everytime I hop in the back of the Bentley..  
Its like I start to
