Oh so everybody out here rich now?  
All these rappers wanna talk about how much money  
they got, how much work they done flipped  
I don't see none a' you niggaz out here, nigga I'm out  
here for real  
A nigga tell you my life is real nigga what?

Since everybody rich now  
fuck it I'm broke  
All these rappers talking bricks now  
I got the dope  
I got murder on my mind  
And niggaz tryna murda me  
Bright like a bounty hunter blood in all burgundy  
Gangsta like a crip hollerin cuz you done heard a' me  
Standin over this stove won't these niggaz worry me  
Can't no rapper bury me  
I be trappin thoroughly  
Freeway Ricky Ross be home in the March  
I got it all together  
Aint nothin fell apart  
Be lyin if I sit here and act like this shit aint hard  
They tellin me "celebrity"  
"Buck you a celebrity"  
But if I don't eat, that put my kids life in jeopardy  
All this fuckin jealousy  
I'm buyin all this weaponry  
And I'm listenin to ever word that T.I. tellin me  
And I'm flippin every last bird Jeezy sellin me  
I'm talkin bout the music  
Can't charge me with no felony

(Chorus)  
Tell me did ya miss me?  
ya miss me?  
they miss me  
(x2)  
Well I'm back  
I'm Back

(x8)  
Tell me did ya miss me?

ya miss me?  
they miss me (x2)  
Well I'm back (x8)  
I know these people miss me

Since everybody ballin' now  
Fuck it I'm not  
All these rappers on these private jets  
I'm on the block  
Fuck a watch fuck a chain  
Fuck a phantom fuck a Range  
Gimme life and this mic  
And i'ma do the damn thang  
I'm Insaneeee!!  
Crazy bout the money  
all these traps made a nigga relapse  
They see me and they wonder damn does he still rap?  
He out here with the goons so ya gotta feel that  
What happened to the morals  
When niggaz had rules  
You had to put in work and pay ya dues Or Ya lose  
Now niggaz is confused  
Cuz now they gettin four and a half  
Lease a car and make it look like you got more than ya  
have  
And these rappers aint no better they just sayin  
whatever  
Will me and 50 work this shit out?  
Naaw I aint sayin never  
But I will say now I'm on a whole 'nother level  
from the music to the business to the ghetto.

(Chorus)
