(feat. 50 Cent)

[Intro: Young Buck & 50 Cent]

K'Yeah!! (Man I been tellin' niggas ova and ova man..)

Aye yo, whuddup niggas (Not to play wit' this nigga mayn'..)

Aye yo mayn', there be alot of niggas out here (Nigga on SSK program)

Talkin'bout they got beef wit' G-Unit, ya'know.. (Shoot, stab, kill nigga)

And I be seein' these niggas..

I be by myself and shit, niggas be like 100 deep and shiit..

I be like: "Wussup nigga?!!" (Don't say I ain't tell ya..)

Niggas be like: "Nah man.." (I warned ya!)

.. "It ain't like dat."

[Verse 1:]

Look up it's a full moon the sound of the wind blowin'
And you don't know you 'bout to git killed, but I been knowin'

Tha nite still young, I mite as well come 'round midnite
Just me all by my lonely, my homies gon' sit tight
I'm workin' wit' a glock and just a lil' bit of gas money
But bet I come back, wit' what dem niggas done snatched from me

My Crip & Blood thugs, they wanna git witcha
They mad at me cause I'm tellin' em "It's personal, nigga."

I wanna see, if this motherfucker want it wit' me

So on 3, I'ma hop up out this SUV

If ya around 'em, I feel like you down wit' em

As soon as this round hit 'em, you'll lay in the ground wit' em

Awaken by Satan but bein' carried by Tha Lord

What ya life costs Bill Gates couldn't even afford

Ain't nuthin' that can stop reprecussions if I die

This ain't got nuthin' to do wit' Dr. Dre mOthafucker

Just you and I

[Chorus:]

I don't need 10 niggas wit' me

I don't run and go git the police (I will do it myself)
You know me, I'ma motherfuckin' G
If it's beef, bitch nigga will see (I will do it myself)
Let 'em hate, homie you know where I be
You done seen me git down on TV (I will do it myself)
And I brought the whole Unit wit' me
But they already know how I be (I will do it myself)

[Verse 2:]

In the beginnin' I was humble
Just thankful fo' makin' it out the jungle
I've never eva sayd nuthin' on this mic' I didn't want to
I'ma soulja, as soon as 50 give me a mission
I mark my enemies territory, then play my posission
(Let's go!)
And homie know me even that nigga dat's wearin' ya
chain
See we both from the South but homie, we ain't the
same
And I remain in the same fuckin' project buldin's
I got guns everywhere, bullet-holes in the ceilin'
My adrenaline pumpin', got this 12 gauge dumpin'
Out the back of this cutless if I git hit up, then fuck it
(yeaaaa)
Tha Reaper comin', so don't look back, just keep
runnin'
Tell 50 fo' this hit I don't need nuthin', you owe me one
Now show me sonny where he be at
Dat's all I need to know, you can go - I'ma be back
Any other time I probably would've asked Banks to ride
But this ain't nuthin' to do wit' G-Unit, nigga
Just you and I

[Chorus]

[Outro: 50 Cent]
