Fuck tha police

Think about it every time you bitches come around
Either we runnin' or we layin' on the fuckin' ground
Just look at Chris a nigga popped and shot him in the club
They called the ambulance and ya'll didn't even show up

Or let me tell you 'bout Lil Ricky when he took his bullets
You want the trigger man ya'll was the ones that pulled it
That's why we represent them niggaz like Larry Davis
Before he let you cowards kill him, he just aimed and sprayed it

Now what you wan' do, bitch I got a gun too
We gon' keep on sendin' shots every time ya'll come through
Got the nerve to tell a nigga put his hands up
Then beat him to the ground when you put the boy in handcuffs, fuck

Fuck the police, we'll handle it ourselves
Even if I'm beat to death, nigga we don't need no motherfuckin' help
Now to the right
(What?)
To the left
(What?)
Let 'em know
(What?)
We don't need no motherfuckin' help

Fuck tha police, fuck the law
Fuck tha police, fuck 'em all
(We don't need no motherfuckin' help)
Fuck tha police, fuck the law
Fuck tha police, fuck 'em all
(We don't need no motherfuckin' help)

We used to play cops and robbers as a little kid

Whoever was the pigs, we would go and split his wig
Then as the years past niggaz only got worse
Jumped into the gang shit gotta protect our turf

We had enough of gettin' handcuffed and pulled over
We started tryin' knock they heads off they fuckin'
shoulders
Now where my soldier's at, get ready for combat
I'm livin' like them niggaz that dun' went to Vietnam
yeah

So if you try to lock me up for smokin' my weed
The whole force of police is what they gon' need
One of a kind, I'm the last of a dyin' breed
Even the one that was before me, he was sayin'

Fuck the police, we'll handle it ourselves
Even if I'm beat to death, nigga we don't need no
motherfuckin' help
Now to the right
(What?)
To the left
(What?)
Let 'em know
(What?)
We don't need no motherfuckin' help

Fuck tha police, fuck the law
Fuck tha police, fuck 'em all
(We don't need no motherfuckin' help)
Fuck tha police, fuck the law
Fuck tha police, fuck 'em all
(We don't need no motherfuckin' help)

When I'm in New York I'm hollerin'
(We don't need no motherfuckin' help)
Yeah, when I'm in Tennessee I'm hollerin'
(We don't need no motherfuckin' help)
Yeah, when I'm out in L.A. nigga
(We don't need no motherfuckin' help)
Yeah, A.T.L already know
(We don't need no motherfuckin' help)
