(Nigga...)

[Buck] G-Unit!!

Can't forget Billy the Kid

[Buck] Aiyyo whassup niggaz

{GANGSTA, GANGSTA...}

Shouts to the Replacements

[Buck] It's like that

Shout out my nigga Attitude

[Buck] My hood is yo' hood

{GANGSTA...}

[Chorus: repeat 2X]

The block love me, I'm sick with my whip game

We drive big cars, we like big thangs

These hoes love me, they know I'm gettin money

I'm strapped in this bitch, ye ain't takin nothin from me

[ad libs over Chorus]

... oh!! ... WHAT?! ... NAHH!!!

C'mon! ... fo' sho'! ... WHAT?! ... NAHH!!

[Young Buck]

In the kitchen like I'm Chef Boyardee

Keep half of it white, cook up a quarter ki'

Put some tints on a Grand Am, throw away my phone

Hate to hear a grown man holla throw a dog a bone

God bless the child who can hold his own

I turn a penny to a 20, a gram to a zone

A hootie to a Bentley, the gold to the chrome

A fully to a semi, the bricks to a home

The hood love me like grape Kool-Aid

They say you live and you learn from mistakes you made

So I took off the soda, and added more coke

They sniff it up they nose and it numbs up they throat

That's why

[Chorus] with ad libs

[Young Buck]

36 ounces, we call 'em whole thangs

And if we catch a case, we don't say no names  
Take care the old folks, make sure they good  
Cause we don't need no help, in our motherfuckin hood  
We live by the G code, eye fo' an eye  
You take one of mine, then 10 of yours die  
Through all of this beef shit, I'm so fly  
Some red monkey jeans and a glock fo'-five  
See Ludacris my nigga, I'm down with T.I. (shoutout to  
D.T.P.)  
So kill all the rumors 'bout that song, get high  
{GANGSTA GRIZILL}  
See Ludacris my nigga, I'm down with T.I. (shoutout to  
Grand Hustle)  
See Ludacris my nigga, I'm down with T.I.  
So kill all the rumors 'bout that song, get high  
You worry 'bout mine, can't pay yo' bills  
And me and Banks fuckin hoes out at Yayo crib, yea

[Chorus] with ad libs

[Young Buck]
