[Young Buck]

Coo, turn me up my n-gga,  
Eminem we coming for your ass,  
aint that right coo,  
man we go too hard for real,

Shoot a n-gga dead right now if i have to,  
hop out â€¦ and just blast you,  
snatch him out of shareview,  
take whats on his wrist let the young n-ggas strip it,  
set that home bricks,  
you want that quarter ounce I can really give you six if i  
had to,  
i can get a million from sticks i get at you,  
im pissed, you dont want your name on that list,  
when we come through n-gga we dont miss,  
throwing shells out da chopper,  
you would think I pitch its the way I swing my arm,  
hold it with a grip, now would you sell dope if i have to,  
rob if i had to, file bankrupt and go hard if you had to,  
just don't answer what the FBI asked you,  
when you get your time sheets the streets do your  
math to,  
i aint made it out, how can i come back and grab you,  
kill a rapper I do that too if I had to.

[Chorus]

Somethings getting in the way  
somethings just about to break,  
Lord tell me how it should be,  
Somethings getting in the way  
somethings just about to break,

[Young Buck]

I'm being serious, if I had to, i'd sellâ€¦

Let these bills just keep come in too fast,  
get ready to get the mask and strap for your stash,  
I was doing the math, let everything subtract it,  
divided losses and profit didnt like â€¦  
now imagine (imagine) spend it all on your dreams,

better yet imagine a double digit singer in your genes,  
we â€¦ like f-ck it Im buggin',  
heat the house with the oven, watch the â€¦ cos its  
coming  
my life real, what they talking bout nothing,  
what you know about hustlin', sufferin', recoverin',  
huh, bagging up, shipping, handling, smuggling,  
doing the middle man, laundry, doubling,  
they still on the same sh-t I be on some other sh-t,  
like you don't have to like me, laughing to the bank,  
im loving it, ha, yeah right,  
I done this sh-t all with a grin,  
they say im crazy (you crazy),  
cos i do it again if I had to.

[Chorus]
