broken promises let me acknowledge this  
trap stories bout some niggas who used to move the  
packs for me  
street dreams tryna get that porsche carrera  
i bought birds through that whole bling bling era  
you spent yours on just buyin whatever  
if you like it i love it, if you did it i done it  
but i didnt see it comin cuz the water kept runnin yeah  
the water kept runnin  
now im floodin the town  
bitches always wanted me but they lovin me now  
i shoot off in the face and hustle up in the house  
but the block got hot  
i aint quit i just chilled  
niggas thought it was over and they all disappeared  
they all balled with me, kept em fresh to death  
the feds came in town, they left me by myself  
(but i just kept it movin)  
now i am still shinin, they aint got nothin left  
the same ones that hate on me look like they need  
some help  
(But i just keep it movin)
