Won't you throw a nigga somethin,  
I'm fucked up just like you,  
My lights off and my bills is due,  
O you think, cause I'm a rap star I didn't pay for that  
car,  
Or if you pop off I won't take it that far,  
Shit, its only really niggas come outside,  
Xzibit don't come around here and pimp no rides,  
I'm still grimey nigga, Don't stand behind me nigga,  
I'm all over this gauge you can find me nigga,  
If the youth don't learn how to shoot these days,  
We be dressed in a suit on a way to the grave,  
See my man lil weasel, he come from my city,  
13 when he went in, now the nigga 20,  
Come on homie get in and load up the semi,  
Tell my lawyer I ain't takin what they give me,  
You hear me? I tattoo G-unit in my veins so if I make it  
to the gates God know my gang,

[Chorus:]

Let us pray(PRAY!) for the niggas I shot this year,  
Let us pray(PRAY!) for the dead, the one's thats not  
here,  
Let us pray(PRAY!) forgive me for I have sinned,  
Let us pray(PRAY!) cause I'm about to do it again  
Let us pray(PRAY!) for the niggas I shot this year,  
Let us pray(PRAY!) for the dead, the one's thats not  
here,  
Let us pray(PRAY!) forgive me for I have sinned,  
Let us pray(PRAY!) cause I'm about to do it again

I done been to Rome, you know the home of the Pope,  
But right around the corner a nigga sold me some  
dope,  
I been thinkin too late to holla just say no,  
If you broke when the bus leave, you can't go,  
If theres light at the end of the road then I'm comin,  
I don't need no bitch my daughter is my woman,  
Cause ain't no click like the one I got,  
It ain't no clique out there this hot,  
You get shot the fuck up, Pop the fuck up, This is not the  
work of a fat joe busa,

I'm far from but close to the pen,  
The judge say he never wanna see me again,  
And Johnny Cochran dead, so what a nigga gon do?  
Yea that's what I thought, whatever he have to,  
Bow your head, and listen to the words I said,  
I'm still here and ya'll thought I supposed to be dead

[Chorus:]

Let us pray(PRAY!) for the niggas I shot this year,  
Let us pray(PRAY!) for the dead, the one's thats not  
here,  
Let us pray(PRAY!) forgive me for I have sinned,  
Let us pray(PRAY!) cause I'm about to do it again  
Let us pray(PRAY!) for the niggas I shot this year,  
Let us pray(PRAY!) for the dead, the one's thats not  
here,  
Let us pray(PRAY!) forgive me for I have sinned,  
Let us pray(PRAY!) cause I'm about to do it again
