shit to show for it man  
Fuck The World man, naw Buck the world, yeah Buck

## *[Verse 1]*

Everybody trying to KILL me  
I don't have no friends  
I'm by myself in this motherfucking Benz  
Don't you TEST me, nothings going right and yeah I  
wanna fight  
So I'm jumping in the night you gonna RESPECT me  
I don't wanna talk my nerves bad and I having suicidal  
thoughts  
Somebody WATCHING me I can feel the heat who ever  
in here is scared  
I can hear they heart beat and they ain't no STOPPING  
me  
I'm out of control like a nigga locked up then just got  
out of the hole  
What they DO TO ME, put me in this game give me all  
this fame  
And expect for me to change my fucking mind

## *[Chorus]*

You motherfuckers don't know me (Lets go)  
You motherfuckers don't know me (Yeah)  
You motherfuckers don't know me (Come on)  
You motherfuckers don't know me

## *[Verse 2]*

I am not going to jail, we gonna smoke our weed  
We don't need no help, you don't wanna fuck with me  
I do not tell, ya wont get enough  
I'm from the neighborhood where we throw the first  
punch  
Get out my way, I had a bad day  
My brother wouldn't die if I had my AK, ya don't feel me

I am on the edge, so when I woke up on the wrong side  
of the bed  
You don't love me, You just like my car  
And if I ever went broke you find another star  
don't you touch me, I don't need a wife I love my lil girl  
but her momma needs a life

*[Chorus]*

You motherfuckers don't know me (Lets go)  
You motherfuckers don't know me (Yeah)  
You motherfuckers don't know me (Come on)  
You motherfuckers don't know me (Yeah)
