(Hey Radio, if I had one wish right now, all I would want you to do is play this for me)

I fell in love with this rap game and married it, raised as a soldier, I put all of the weight on my shoulders for my city and carry it, false reported funds that they say that I inherited, like I just jacked off millions and now I'm like where it went...

I know I'm one of the realest and I know this here is evident, even through these hard times I remain relevant, you can't feed me peanuts, no I'm not an elephant, infact I'm street certified and I'm quite intelligent, for real I know I'm heaven sent, this is what the devil says, everything the IRS don' took it's like it never went, rap has took my life and you should use this here for evidence, this is everything you go through when you're runnin' for president;
