[Young Buck:]

What up

Hey yo, god bless the child who can hold his own

Holla back

[Verse 1: Young Buck]

The game been good to me

I'm still runnin' 'round where I use to be

The projects, where we move the keys (Yeah!)

Try to tear down the bricks we refuse to leave

See regardless, i'm a do my thing

I don't care what set you claim

I just met you mayne

Be happy that I let you slang

Cause if I let Tek know he 'gon bust your brain

and if all ya'll niggas out here want to get it

Holla G Unit South let me know you with it

Shit about to get crazy in a minute

That's why my bitch's purse got a 380 in it

I'm a give niggas one more chance

We cool but I ain't shakin' no hands (Nah!)

Next time you won't hear 'bout whatever gon' happen

My album went platinum I found out

[Chorus:]

Niggas a change on you, so hard to keep friends

Seem like I can't find nobody, but I ain't got no ends

Niggas a change on you, that's why we get these hoes

Soon as a nigga got a little somethin', it's when they let me know

A brother done changed on you

[Verse 2: Young Buck]

I'm all by myself in this Benz (Yuh!)

Glock got a extended clip on the end

Priest 'bout to come home from the pen (Aye!)

I'm a make sure he never touch a bird again (Yo!)

Motherfuckers act like I don't deserve to win

Niggas claim they kin

But I ain't heard of them (Like!)

Like I ain't hit the block and put work in (Like!)
Like I ain't still gettin' them pounds of purp in (Owhh!)
Say what you want, but my bills are paid
I'm not tryin' to be thirty five, still on stage
Shit was all good but he turned his back
Them niggas stayed with him didn't learn from that
The tables turned, I went and got me a plaque
So I could give a damn what you say on Smack (Nigga!)
You know what it is and you know where i'm at
For real, don't make me snap

[Chorus:]

Niggas a change on you, so hard to keep friends
Seem like I can't find nobody, but I ain't got no ends
Niggas a change on you, that's why we get these hoes
Soon as a nigga got a little somethin', it's when they let
me know
A brother done changed on you

[Young Buck:]

Yeah!

Hey yo, shout out to all the DJ's, stand down with The
Unit!

I see y'all!

Yeaahh!
