With nothing to give you

(Young Buck)

Come on
Shoot to kill when we see 'em nigger caved in go free

You get away driving â€¦ slim she love Nicky and Lakin
Shout it
Say â€¦ you just stay behind me
They see 'em bad bitch on forges that's gona blind me
Ho look you see that
Dug down in the back ain't nowhere to put my feet at
Get close enough so when I let this ho go they won't be
back
I'm eating don't be surprising if your here to hear back
This bug bitch dead you smell the heat back

I'm just try to kill 'em for they kill me
Kill me kill me
I'm just try to kill 'em for they kill me
Kill me kill me
I'm just try to kill 'em for they kill me
Kill me kill me
I'm just try to kill 'em for they kill me
Kill me kill me

I miss our wish checking the two four fives and a bitch
Heading east I spent weeks with big UIAâ€¦
Punch a roll a sixties probly niggers ridding with me

Hey wat up wat up cuz rule to the blood
Hey fuck with you
You niggers say â€¦ fucked up messed up with me
So at my show on sale if they say
Why wait for a lame but decide to come get me
That's like trying ol â€¦ and none fit me
Fuck this in the streets I'm in these streets better run
quickly
And every nigger around me better come with them
good empty
Shorty just pray for me look how niggers done dig
Look how they made my Mexicans come get me

I'm just try to kill 'em for they kill me
Kill me kill me
I'm just try to kill 'em for they kill me
Kill me kill me
I'm just try to kill 'em for they kill me
Kill me kill me
I'm just try to kill 'em for they kill me
Kill me kill me
