[Young Buck]

Fishscale, like Yo Gotti say
If you knew what I just made, then you'd get out the way
My mouth funky, I'm bout money
A humble hustler, thanks for whatcha did for me
Aye, Jay-Z...lil Jimmy just left Emory
They did time together in the federal penitentiary
Say, Jeezy, Big Meech just told us keep our head up
I told him I been out the way, you know just gettin' my bread up
These rappers got me fed up, look at me hold ya head up
Thats why we never met up, feel like this shit a set up
You niggas just play catch up, Dirty South I throw my "S" up
Whole click shinin', God bless em...and I ain't gotta put nothin' on it

[Chorus]

I ain't gotta put nothin' on it, I ain't gotta put nothin' on it
I ain't gotta put nothin' on it, I ain't gotta put nothin' on it
Everything's all real, Everything's all real
Everything's all real, Everything's all real
I ain't gotta put nothin' on it, I ain't gotta put nothin' on it
I ain't gotta put nothin' on it, I ain't gotta put nothin' on it
Everything's all real, Everything's all real
Everything's all real, Everything's all real

[Young Buck]

Aye, I know how ya want it
I used to be on the label but now I own it
Trappin' I don't condone it, but that's just for a moment
Forreal I tried to chill, but now these bills pilin' on me
Right back on my grizzly, fuck ya bitch I'm busy
Pullin' up in shit that make them hoes ask who is he?
Purple got me dizzy, my old bitches miss me

They show up at my shows, we toss em like a frisbee
I'm ghetto raised to richness, yeahh
And my mother went to college wit Oprah Winfrey
I guess it's in me
A turn a century, a new president
This elementary, you so irrelevant

[Chorus]

I ain't gotta put nothin' on it, I ain't gotta put nothin' on
it
I ain't gotta put nothin' on it, I ain't gotta put nothin' on
it
Everything's all real, Everything's all real
Everything's all real, Everything's all real
I ain't gotta put nothin' on it, I ain't gotta put nothin' on
it
I ain't gotta put nothin' on it, I ain't gotta put nothin' on
it
Everything's all real, Everything's all real
Everything's all real, Everything's all real
