Man its all about platinum from the records to the

Dont hand me the keys if it aint show room floor,  
Ten diamonds in the rolly betta add ten more,  
From the bend up lift my hands up good lord,  
Wats the use of a playa wit paper dat dont show it,  
Screamin I got money but dont nobody no it,  
I work for it, so dat mean i got da right to roll twenties,  
And sag my jeans, da average gehtto childs dream,  
turnin some cream and rollin vitwizy wil lizzy, why still  
hes a team,  
and seem ive accomplished dat,  
bought a charm, went in a vice I took it back,  
when I return i want all my diamonds phat,  
I cant get off track,  
when my dawgs in my pack feel just like that,  
look park your cadillacs aint no time for stallin,  
while you penny pinchin playa i be out der ballin,
