[Young Buck:]

Why?

These Niggas Want Me Dead

[D-Tay:]

Betta' Watch Yo Step

[Young Buck:]

Puttin' Prices On My Head

[D-Tay:]

Cuz I Cock My Shit, And I Pop My Shit

[Young Buck:]

But I Ain't Gonna Change

[D-Tay:]

I Don't Play That Shit

[Young Buck:]

[Young Buck:]

Some Say I'm Crazy For Signin With 50 Cent

Them Same Niggas Wouldn't Offer To Give Me Shit

Niggas Hate You When You Rich, But Love When You Broke

I Never Knew I Had So Many Enemies Before

My Arm's Is Open To Anyone Who Want Beef

I Promise Ya'll I Won't Sleep, Till Ya'll Layin 6 Ft.

G-Unit That's What It Is, That's What It's Gon' Be

Benzino Or The Source Can't Hold Me

I Been Heavensent To Put A End To This Nonsense
The Handle Of This 4-5'll Make Him Unconscious
Most Of These Rappers, Throw Bricks, And Hide They
Head
Come To Our Shows, Then Hide Behind They Man, They
Homie
I Understand I'm A Target, I'm On Top
But Understand If You Start It, I'm Gon' Pop
I'm Not An Artist, Buck Is A Street Pharmast
One Of The Smartest, That Gon' Get Money Regardless

[Young Buck:]

Why?

[D-Tay:]

Betta' Watch Yo Step

[Young Buck:]

[Lloyd Banks:]

My Eyes Low, Hydro Leakin' Out That Tahoe

I Know G-Unit's Them Niggas Im'a Ride Fo'

Nah Hoe, I Ain't Stuntin', Nuthing That These Niggas
Say

Fuck The Rap, I Can Get Ya' Monkey Ass Good Today
Ain't Nobody Picked Me Up, When I Was Pinned Down

I'm Double Checkin, 'For I Leave Outta My Crib Now
Holdin That 40 On Me, Sunk In The Seat

Cuz Niggas Feel Comfortable When They Get In Drunk

With The Heat
I'm Ridin' While Ya Dirty, Cuz They Gunnin For My Top

I Ain't Duckin And Dodgin, I'm Only Runnin From The
Cops
Spendin Grand By The Grand By Hundred On My Watch
Just Got Another Buddy, And It Holds A 100 Shots
I Never Had A Role Model, Cuz He Was In A Box
So I'm Up In The Club With Eather, A Heater Or A House
Everyday There's Another Nigga Bleedin On The Block
But We Ridin' With Them Burners On, Even When It's
Hot

[Young Buck:]

Why?

These Niggas Want Me Dead

[D-Tay:]

Betta' Watch Yo Step

[Young Buck:]

Puttin' Prices On My Head

[Young Buck:]

G-Unit Do Ya' Thang

[Young Buck:]

You See These Niggas Get Out The Pen, And Think It's
Good

Go Get A Pack, And Come Right Back, To The Same
Hood

They Think These Young Niggas Gonna Post Up, And
Let 'Em Get It

Ain't Been Home But 6 Months, And Got His Wig

Splitted
Comitted To The Block, Fuck These Niggas, Fuck The
Cops
Fuck These Bitches, Fuck Ya' Chain, Fuck Ya' Car, Fuck
Ya' Watch
Ride And I Die For Mine, Pop's, And I Hide The Nine
Swerving Over These White Lines, Wonderin From The
One Time
Thug And I Know I Am, Bird From A Half A Gram
Broke, So I Sold Dope, And I'd Do It Again
Don't Blame That Nigga For Runnin Up In My House,
Fool
Ain't No Food In My Daughter Mouth, I'm Goin Out Too
Just Think About What Your Doin, Cuz Buddy, Bullets
Burn
May God Bless His Ass, That Was That Nigga's Turn
I'm Not Concerned With Your Death Threats
You Come Down Here With That Shit, And Get Left Wet
Muthafucka
