We got Young Buck buckin' the world right now

[Paul Wall:]

Go on tear this mic up man

[Young Buck:]

Hey yo shout out to Swizz
Shout out to everybody
I'm a rip this Swizz this is what i'm a do for it
Check me out
Hold on lets see

[Verse 1: Young Buck]

Let me put this on ya brain
If rap stopped today I'd still do my thang
I bought a business before I bought me a chain
Took my mama out the bricks and put a car in her
name
Pay my homies Half's bond just to get him on the street
Hopin' if I get locked up 50 do it for me
Payin' everybodys bills
I'm locked down for real
This is what we do we get it how we live
Hey yo Paul Wall I keep tellin' 'em
All these dudes don't know what we sellin' them
I get to the money
Ya'll know what it is you will never take nothing from me

Freestylin', buck wilding off the dome
Give me a second and I'll be off in ya home
I ain't playin' I ain't doin' none of that
I came in here strapped
To give Fisk and Pog caps
Infared on all straps
Holla when you see me
Right here BET i'm on TV
Ain't too many of ya'll can be me
Cause ya'll is smaller than Beanie

[Young Buck:]
Get to the money holla man
Straight off the dome bro
Thats freestylin'

[Paul Wall:]
Now thats freestylin'

[Young Buck:]
That ain't just spittin' on paper

[Paul Wall:]
No pen and paper
Thats freestylin'

[Young Buck:]
I wanted to give ya'll me just freestylin' man

[Paul Wall:]
Live in the booth baby
On Rap City baby
Its Young Buck
Buckin' the world
And Paul Wall
Gettin' money and stayin' true baby
We out of here
