Taped Conversation

The streets wanna know

What young buck gon do

How how Young Buck gonna respond

If you see me in the streets rolling

If you see me in the block holding

If you see me rolling by

Remember that you don't know me (you don't know me)

If you see me in the streets rolling

If you see me in the block holding

If you see me rolling by

Remember that you don't know me (you don't know me)

Bitch niggaz do bitch thangs

Look at 50 what he does just to get fame

Record my phone call, when I spoke from the heart

That was a year ago, this was a joke from the start

You a hoe, and I know

The only people record conversations is 5-0, so die slow

See here ya go, while you gotta chance

Let a real nigga put a band, on ya hand

Understand I don't bite the hand that feed me

But I will let the hand say it don't need me

Look at y'all on TV, Banks looks uneasy

If he told you how he feel, this is where he be

And they know yayo is stuck in your a-hole

Half of your staff only there for your pay roll

Hey TIP, lay low, you ain't gotta respond

He had the +Magic Stick+, I got the magic wand

I'm the Don

If you see me in the streets rolling

If you see me in the block holding

If you see me rolling by

Remember that you don't know me (you don't know me)

If you see me in the streets rolling

If you see me in the block holding

If you see me rolling by  
Remember that you don't know me (you don't know me)

Real niggaz do real thangs  
Real niggaz never die and never give names  
If a real niggaz cry then its real pain  
So on the real my nigga I don't feel ashamed  
Aint no pussy in my vein I'ma G  
Witout me, y'all jus the U-N-I-T  
Without B, y'all should just give it out free  
Cuz in the south WE consider you WEAK  
Nigga when I speak, the streets get relief  
They really find the truth out about this beef  
A victim of defeat when your album was released  
When Jay-Z made Kanye look like a beast  
BET told Jim Jones it was peace  
Just trynna get some new york love at least  
But they loving me  
I'm laughing at you while you worried bout me  
When your punk ass response, I'ma give you verse 3  
haha youll see

If you see me in the streets rolling  
If you see me in the block holding  
If you see me rolling by  
Remember that you don't know me (you don't know me)

If you see me in the streets rolling  
If you see me in the block holding  
If you see me rolling by  
Remember that you don't know me (you don't know me)
