[Talking]

That shit smell good...

I'm on paper I can't smoke

Naw fuck that, hand me that shit

[Hook]

I said I wouldn't smoke no more

But they keep passin weed to me

They say that thats the fire so i need to see

I hope i don't violate my probation, probation

I said I wouldn't drank no more

But they pass the patron to me

So aint no tellin where a nigga gonna be

I hope i don't violate my probation, probation

[Young Buck]

I don't wanna go back to jail

But wht is that smell

Somebody got the green sticky up in here

I know that i'm on probation

They pulled me over on my high speed chasin

Give me a light, and let me get my mind right

I ain't got to piss this week nigga I'm tight

Thats wha I'm talkin bout

Two hits of this shit'll have yo ass fallin out

I'm in my zone and ain't nobody up to drive me home

All my homies already gone they left me on my own

My seat pushed back let me straighten up my act

They just let me out the pen and I aint goin back

[Hook]

I said I wouldn't smoke no more

But they keep passin weed to me

They say that thats the fire so i need to see

I hope i don't violate my probation, probation

I said I wouldn't drank no more

But they pass the patron to me

So aint no tellin where a nigga gonna be

I hope i don't violate my probation, probation

Everybody got they cups filled up
In the club gettin buck
My P.O. know whats up and I don't give a fuck so
I'm drankin, mothafucka I'm drankin
We gettin money over here so e hold our bottles up
Just look around this bitch, everybody got a cup
So I'm drankin, mothafucka I'm drankin

[Fatty]

You never know what the future hold
So i'm gettin high Cashville,
Day to day duckin homicides
Dope money, guns in my mothafuckin system hoe
I told my P.O. let me smoke I put her on the payroll
I can't deny it I'm a stone cold fiend
For that granddaddy purp, cali kush and sour dies
Drop the top on the 3'6errari
I'm retarded, doin circles smokin on that marlee
Bad bitch in the passenger, black barbie
She hold a quarter pound in hr loueie bag for me
Swisher sweets, smokin never chokin
I'm a OG
I hope my P.O. dont violate me
I keep smokin

[Hook]

I said I wouldn't smoke no more
But they keep passin weed to me
They say that thats the fire so i need to see
I hope i don't violate my probation, probation

I said I wouldn't drank no more
But they pass the patron to me
So aint no tellin where a nigga gonna be
I hope i don't violate my probation, probation

[Young Buck]

(I ain't goin to jail)

(I ain't goin to jail)

[Talking]

[Hook]

But they keep passin weed to me

But they pass the patron to me
So aint no tellin where a nigga gonna be
I hope i don't violate my probation, probation
