(yeeeeaaah)
(ha ha)
(Fuck tha police)

[Verse 1]

Think about it
Everytime you bitches come around
Either we runnin'
Or we layin' on the fuckin' ground
Just look at Chris
A nigga popped and shot him in the club
They called the ambulance
And ya'll didn't even show up
Or let me tell you bout Lil Ricky
When he took his bullets
You want the trigger man
Ya'll was the ones that pulled it
That's why we represent them niggaz
Like Larry Davis
Before he let you cowards kill him
He just aimed and sprayed it
Now what you wan' do
Bitch I got a gun too
We gon' keep on sendin' shots
Everytime ya'll come through
Got the nerve to tell a nigga put his hands up
Then beat him to the ground
When you put the boy in handcuffs
Fuck

(Chorus)

Fuck the police
We'll handle it ourselves
Even if i'm beat to death
Nigga we don't need no motherfuckin help
Now to the right, to the left
Let 'em know
We don't need no mothrfuckin' help
(x2)
Fuck tha police
Fuck the law
Fuck tha police

Fuck 'em all
We don't need no motherfuckin' help

[Verse 2]

We used to play cops and robbers as a little kid
Whoever was the pigs
We would go and split his wig
Then as the years past
Niggaz only got worse
Jumped into the gang shit

Gotta protect our turf
We had enough of gettin' handcuffed
And pulled over
We started tryin'
Knock they heads off they fuckin shoulders
Now where my soldier's at
Get ready for combat
I'm livin' like them niggaz
That dun' went to vietnam yea
So if you try to lock me up
For smokin' my weed
The whole force of police
Is what they gon' need
One of a kind
I'm the last of a dyin' breed
Even the one that was before me
He was sayin'

(Chorus)

Fuck the police
We'll handle it ourselves
Even if i'm beat to death
Nigga we don't need no motherfuckin help
Now to the right, to the left
Let 'em know
We don't need no mothrfuckin' help
(x2)
Fuck tha police
Fuck the law
Fuck tha police
Fuck 'em all
We don't need no motherfuckin' help

(Talking)

When i'm in New York i'm Hollerin'
We don't need no motherfuckin' help
Yea (yea)
When i'm in Tennessee i'm Hollerin'
We don't need no motherfuckin' help
Yea (yea)

When i'm out in L.A. nigga
We don't need no motherfuckin' help
Yea
A.T.L already know
We don't need no motherfuckin' help
