Where your money at nigga?  
Where your money at ho?

[Verse 1: Young Buck]

Get bank and live man lets find out  
Now i'm a start it off cause i'm pullin' mines out  
Got the hundreds on top and the fiftys on bottom  
I'm throwin' money at the biggest baller when I spot  
him  
I only want the bad bitches  
No fat bitches  
My homie Don Juan he'll be glad to hit ya  
Do your dance shorty, turn around let me see it  
Can it bounce for me well make a nigga want to eat it  
Its that dope boy money it don't ever run out  
When i'm finished throwin' this I pull the next one out  
Catch up with me if you broke be gone  
You can't smoke what we smokin' or drink what we on

[Chorus: Young Buck]

What your pockets like?

Put it out and get it right  
I bought my dope by bag I ain't runnin' out tonight  
Where your money at nigga?  
Where your money at ho?  
Where your money at nigga?  
Where your money at ho?

What your pockets like?  
Put it out and get it right  
I bought my dope by bag I ain't runnin' out tonight  
Where your money at nigga?  
Where your money at ho?  
Where your money at nigga?  
Where your money at ho?

[LeBron James:]

[Verse 2: Young Buck]  
I smell like money, get like me i'm a get to the money  
The trap where I be  
Got some hos in they Gucci pumps walkin' it out  
And my whole crew caked up thats what i'm talkin' 'bout  
Make it rain on 'em  
Make it rain on 'em  
I know they hate me thats why I do my thing on 'em  
I swing my chain on 'em  
And flip the caine on 'em  
The Phantom and the Ferrari they got my name on 'em  
I know they ain't want it  
I pop a rubberband  
I got a big bank roll in the other hand  
I make 'em understand  
And then come again  
Cause around here i'm the motherfuckin' man

[Chorus: Young Buck]  
What your pockets like?  
Put it out and get it right  
I bought my dope by bag I ain't runnin' out tonight  
Where your money at nigga?  
Where your money at ho?  
Where your money at nigga?  
Where your money at ho?  
What your pockets like?
