I tried to take you serious but you think I'm a fool
Ooh, I ain't f***** wit u!
'Cause if I ever caught you up, ain't no tellin' what I'd
do
Ooh, I ain't f***** wit u!

**** ****, he used to be a hustler, he ain't real no more
'Cause it's some **** in the hood, we wanna **** you
for
Loose lips, sink ships, tattle tellin' gets you **** fast
I hope you get knocked off wit your snitchin' ****

Made a deal 'cause the jail had you scared
Can't do your time so you sold to the feds
****, **** yourself, you a **** **** walkin'
L.T. got life and homie still ain't talkin'

So all of them **** puttin' wires on
Don't say nothin' when your family get **** ****
They say your man took the stand and he didn't think
twice
They took his life and they didn't think twice

It's an eye for an eye, you ****, **** ****
Ain't nobody 'posed to know when the pack arrive
See, the judge is the pimp 'cause he made you snitch
Light you up and he didn't pay you ****, who the ****?

I tried to take you serious but you think I'm a fool
Ooh, I ain't f***** wit u!
'Cause if I ever caught you up, ain't no tellin' what I'd
do
Ooh, I ain't f***** wit u!

Trip, me and Cuz used to dress alike, wear the same
clothes
**** the same ****, my **** for life, so the gang goes
**** used to bang with me, smoke **** with me
Sold **** with me, went low with me,
[Incomprehensible]

Oh, so shifty, ****, ****, switch the game up
Put me in the frame up, **** came up
**** **** **** ****, tryin' to make a name for us
****, **** **** and quite dangerous, **** **** ****
**** ****

**** **** ****, **** **** **** ****, real ****, I'm
dishin' out
Why you **** **** **** now? I ain't make it up, I ain't
break it up
Cuz, you keep me on some bullshit
I ain't with that ****, **** ****, I'm on this real ****

Stack a bill ****, crack a meal ****
Every time I spills, ****, yeah, I'm on this real ****
Now don't you come to the house, Cuz, on the dub
'Cause I put my **** **** **** ****, **** **** bounce

I tried to take you serious but you think I'm a fool
Ooh, I ain't f***** wit u!
'Cause if I ever caught you up, ain't no tellin' what I'd
do
Ooh, I ain't f***** wit u!

Hmm, the life I'm livin' and how I do my thug thizzle
Separates me from all of them **** ****
See, I don't deal with **** who ain't real
He in character, playin' some life that ain't his

He testify, wasn't wise and make deals
So stop talkin' on the phone, boy, the street's got ears
Here's some **** doin' 20 to 30 years
That'll lie on your **** and knock five off his

Affiliation with **** that's living ruggedly
Will get a **** like me charged with conspiracy
Before you know it, you been followed by the
knuckleheads
And your job is to make his **** do his

Bein' in the wrong place can really hurt your case
And ain't no sense to talkin' in codes, they already
know
Them **** who you used to hustle with before
Kinda want to play the role, so they already told, you
know

I tried to take you serious but you think I'm a fool
Ooh, I ain't f***** wit u!
'Cause if I ever caught you up, ain't no tellin' what I'd
do

Ooh, I ain't f***** wit u!
I ain't f***** wit u!
