It's Young, Jizzle and the homie, Buck
We still ridin' dirty, think we givin' a ****?
Headed 75 South for 75 blocks
Hundred miles an hour, past 75 cops

And straight to the mac, hit 75 spots
And I'm back down, Atlanta, copped 75 drops
So on first sip, I made about a grand
You ask me what I need, I tell 'em bring the whole van

All I do is make hits, just to see my SoundScans
I know the yayo, you should see me bag ****
See cuz, over there, he'll **** ya **** for nothin'
C.T.E. and ****, we buckin', ****

Let me go and show you **** what my whip game like
I whip it to the left and whip it to the right
I mix it with the Sprite and flip it with the whites
See I make my own price 'cause I take my own flights

I still got my ski mask, still need cash
Still got them eighteens as if you want a half
That's 11, 5, a piece, dawg, if ya do the math
But I do it for the ten for my **** in the cab

Got a **** in Decatur, she shake it for the paper
So when I make it rain, I just get it back later
See cuz, over there, he'll kill ya **** for nothin'
6 1 5, Cashville, we buckin'
