I... I want you to know  
I.. I love you so  
I.. I won't let go  
this time, this time  
I... I want you to know  
I.. I love you so  
I.. I won't let go  
this time I know it's for real

What would I have to do  
to get you to notice me too?  
Do I stand in line?  
One of a million admiring eyes  
walking tide from way up high  
Write you name across the sky

I'm going crazy just to let you know  
You'll be amazed how much I love you so  
Oh baby  
When I get my hands on you I won't let go  
This time I know it's for real

Should I ride or call your home  
Shout it out with a megaphone  
Radio, TV news  
gotta find a way to get the message to you  
Say I love you with a neon sign  
anything to make you mine

I'm going crazy just to let you know  
You'll be amazed how much I love you so  
Oh baby  
When I get my hands on you I won't let go  
This time I know it's for real

Ooh baby, this time, this time...  
Ooh baby, this time, this time...  
Oh baby  
Walking tide from way up high  
Write your name across the sky

I'm going crazy just to let you know

you'll be amazed how much I love you so  
Oh baby  
when I get my hands on you I won't let go  
This time, this time  
I'm going crazy just to let you know  
you'll be amazed how much I love you so  
Oh baby  
when I get my hands on you I won't let go

This time I know it's for real

I'm going crazy (Oh yea)  
I'm going crazy (this time I know it's for real)  
when I get my hands on you (this time I know it's for  
real)

I'm going crazy just to let you know  
if I wait too long for you, I might explode  
Oh baby  
I get around and I get enough to know  
This time I know it's for real

I love you so  
I won't let go
