(Verse 2: Young Dro)

Nuttin but a G baby

You know Ima G, Ey Look

Pull up on the scene  
Bitch I'm cleaner than chlorine  
Rock stop comin' Ima probably sell Codene  
Shoot a nigga ear off from up the street, no beam

Work for my cousin down in Florida named Doreen  
All I want is some more cream, my wrist on jack frost  
Tell em again they see it, my wrist on jack frost  
I ain't gotta say how much the mothaf\*\*kin bet cost  
30" stretchas on the Escalade lac cost  
Bitch I'm from the projects you can't miss me wit dat  
rep talk  
Catch me up on Simpson road tearin' up da asphalt  
Took alota cash and walked  
Jury, scurred me  
Eights on da donk make it hard to steering  
Swingin' on a nigga, swear I gotta feel some fury  
Trappin at da hotel, you can catch me at the jewlery  
A general and surely man I seem pearly  
I got this shit locked, tell momma don't worry

(Chorus x2)

I'm the seventh letter of the alphabet (I'm a G)  
And in my pocket there ain't ever nothin less  
And if your bitch f\*\*k me she f\*\*ked the rest  
Cuz I'm a A B C D E O G

(Verse 3: Bun-B)

You see me hop out of a '08 somethin' on 24's  
Rockin' this newest experiment in some next season  
clothes  
I guess that's the reason ho's stop drop tuck and roll  
Like an inferno then turn over and suck the pole  
I'm so f\*\*kin' cold I give a polar bear frost bite  
You see my jewelry, you know what it cost right?  
You see my toolery, it's bigger than your arm so  
No Tom foolery and you won't see da bomb blow  
Need a bomb ho, yung joc got da work,  
I need some bomb dro best thang smokin got da purp  
Let me hit em on the chirp, and orchestrate a  
rendezvous  
We meet some boppas, bottles, and don't forget the  
Bombay too  
Ooh, you know who's keepin it trilla  
Just name any thug, gangsta, soulja, or gorilla  
I'll snatch him up by his shouldas and strip off his strips  
Cuz when you trill you don't trip off da hype, that ain't  
my type

(Chorus x3)

I'm the seventh letter of the alphabet (I'm a G)

And in my pocket there ain't ever nothin less  
And if your bitch f\*\*k me she f\*\*ked the rest  
Cuz I'm a A B C D E O G
