she like to see them do they thang
as soon as they get to the seen
they shinin as hard as you done seen
the badest bitches you ever seen
her earring give off a blueish gleem
rollin on a couple things
may be down for other things

[Young Dro]

she might be down for the thing
but TIP it might just be my ring
and how I got this other bitch
she lickin on my dig-o-ling
I broke her slow
and strocked it slow
lick it watch it grow some mo
bust a nut

and watch me fuck that hoe some more
she said
'Dro can you go some mo?'
