Polo down (x16)

Ralph Lauren, Luis Gucci (x4)

bubble weed bluntsâ€
I am feeling the buzz
ikno shit about the bubble
Im feeling the sudsâ€
these pussy niggas mad
Im feeling a grudge
got the lyrics on katrina
Im feeling the floodâ€
Ain't got the phone number
I am feeling the call
.. be serious
They are feeling the â€
Half million for my condom

I am feeling the â€
Ask me what I have
But I am feeling the â€
Should I go live in Brazil
I haven't decided
I am feeling money make it real ..
I stay fresh mother fucker
Who's asking about me

Ralph Lauren, Luis Gucci (repeats)

Polo down (repeats)

I'll be fresh

I'll be good
