I ain' pop nun yet but I'm 'bout to take off
I ain' leavin' yet but I'm 'bout to take off

And I'm 'bout to take off, you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off

Young Dro, we in the club, my wrist cost a hunnid rats
When I pop a pill, I take off like a Thundercat
9 carat stone with the platinum all up under dat
AK/47 chrome ye ain't gon want nun of dat

Louie bag summer sack half a damn million
I fuck with kush so much, I had Amsterdam children
I'm Pakistan pillin' rollin' like a yayo
The Ferrari with the lake house

G4 I'm 'bout to take off
Don't let the swag breakout that shit like disease
I be lookin' Japanese ounce of kush ounce of lean
I'm a 30 inch rider, John Travolta, we can face off
5, 4, 3, 2, 1, oh, and this the take off, Dro, Dro

And I'm 'bout to take off, you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off

Okay, now big pimp squad tear your boyz apart
Stay out our trap stay out our yard
I'm so hard I'm runnin' with piranhas
I'm a west side boy, yeah potna, potna, potna

Goin' get them, suckaz, tell 'em that it's over
This is a jack truck this is not a rover
30 inch rider you ain't even worth it
I'm in my own world trick, we on different earths

Sittin' up in my lambo don't make me turn to Rambo
2 dime lesbians that's all that I can handle
And I'm bumpin' like a yayo I'm bumpin' like a yayo
Bow, I'm finna take of,f bow, I'm finna take off

And I'm 'bout to take off, you kno that sound
Take off, take off, take off, take off

And I'm 'bout to take off you kno that sound

Futuristic Lela Ralph Lauren, pilo G4 takin' off every city

Goin' across tha globe you don't go tha places we go

Connected with tha king, you don't kno tha people we

White boy steelo, black boy bakino
Black and white swag got me feelin' like melato'
Pockets extra sloppy feelin' like I hit tha lotto

Floatin' through tha city offsets on tha idol
You tried to Keith sweat me like tha chick from

Let's take off, take off, ayee, take off

And I'm 'bout to take off you kno that sound
Take off, take off, take off, take off
