My girl got a girlfriend, see 'em in a pearl Benz
Passin' by ya, sittin' higher, flyin' then what yours is
My girl got a girlfriend and we be bringin' girls in
You don't want my ***k up in her, keep her 'way from
here then

My girl got a girlfriend that make you wanna hear then
We be ballin', you be callin', why you over there then?

See up in Body Tap on the stage they strippin' now
Make it rain smackin' ***, *** till they booty drop
I train a *** to show, all you lame ***, you ain't hot

Fake *** ain't with her *** got ***, you ain't got
Like better watches, better broads
And all the you cars that you ain't coped

Saw her pull out with seven freaks is that what you so

Y'all *** Salty, hessian *** want me
Yesterday, I was the freshest *** in the country
Bad *** hunt me, they follow me on Sunday
The rape me on Monday and they blow the crush right
on me

Tuesday, I have them, eatin' *** right in front of me
Wednesday, we sun feast [Incomprehensible]
Broke that *** after that we bought a Hummer G
Thursday, we took it ***, Friday we get some mo'

Got a grand, get some blow, buy the damn liquor store
Drink until we drunk then in the morning hit the jewelry
store
Yellow fits, yellow wrists, yellow chicks, yellow Cris ***
you gotta yield
You don't see this damn yellow whip

Yellow gun, yellow clip, fruity gat shoot it back
Chrome band, *** *** what you doing with that?
Take 'em back [Incomprehensible], make 'em pop a
bunch of pills
Make a *** eat it, tryin' to show that *** how fun it is

My girl got a girlfriend see 'em in a pearl Benz
Passin' by ya, sittin' higher, flyin' then what yours is
My girl got a girlfriend and we be bringin' girls in
You don't want my *** up in her, keep her 'way from

You might see her on motor skates, broke *** *** 'pose
to hate
Who the *** she think she is? All a *** know to say
Passin' by 'em blowin' hey, leanin' on a shoulder blade
'Shoulder leanin' as Dro would say, blowin' on it all day

Super freaks and beauty queens, she like to see them
do they thang
As soon as they get to the seen, they shinin' as hard as
you done seen
The baddest *** you ever seen, her earring give off a
blueish gleam
Rollin' on a couple things, may be down for other things

She might be down for the thing but TIP it might just be
my ring
And how I got this other ***, she lickin' on my ***
I broke her slow and stroked it slow, lick it, watch it
grow some mo'
Bust a ***, bust a *** and watch me *** that *** some
more

She said, "Dro can you go some mo?"
*** yes, I'm the best
Ain't playin' around, my pimpin' on deck, lick a *** low
now the *** all wet
Ridin' throughout the city on, deep chrome sets, wrist
so fresh
She so fresh, my girl got a girlfriend, man, I can deal
with that

My girl got a girlfriend see 'em in a pearl Benz
Passin' by ya, sittin' higher, flyin' then what yours is
My girl got a girlfriend and we be bringin' girls in
You don't want my *** up in her, keep her 'way from
here then

My girl got a girlfriend that make you wanna hear then
We be ballin', you be callin', why you over there then?
