[Chorus - Lil' Keke]

Draped up and dripped out, know what I'm talking bout
Draped up and dripped out, know what I'm talking bout
Draped up and dripped out, know what I'm talking bout
Draped up and dripped out, know what I'm talking bout

It's da kid Young Frank and I'm bringin da pain,
See my album blowin up and people say I'm da mayne,
People call me Pikachu cuz I got all that power,
I got lightin in my hands and it scarin you cowardz,
I'ma beast in yo life and a beast on da track,
Call ya momma, call ya daddy tell Young Frank is back,
Charmander got fiya mayne and I got lightin,
We can beat Big Keyan in rappin, and we can beat him
in fightin,
That boy say he want beef compared to me his size
double,
I got a AK that can fly straight through his flubba,
Nigga, I would fight in da street,
But if I win then ya mooma might call da police,
I'ma help this fat nigga and take all his flubba off,
That boy say he hard, when he know he really soft,
You can't fight cuz T Nay made you quit,
I'ma tell you one mo time, I'm Da Illest Shit 2 Spit (feel it)

[Chorus - Lil' Keke]

Draped up and dripped out, know what I'm talking bout
Draped up and dripped out, know what I'm talking bout
Draped up and dripped out, know what I'm talking bout
Draped up and dripped out, know what I'm talking bout
