"Outside the City"

Visit "[Outside the City](#)" on MotoLyrics.com

From where I live
You know, it looks to me
That here is there
and there is here

Sometimes I'm blind
with cinq-a-sept and take out
lose ourselves
and make out

From where I lay
You know, it seems to me
That I am you
and You are me

Sometimes I'm blind
With lake and evergreens
Pace ourselves
and Edit scenes

Outside the city I see
I see I'm inside out
Outside the city I see
I see I'm inside out

Outside the city I see
I see I'm inside out
Outside the city I see
I see I'm inside out

From there to here
And between you and me
Our streets and alleys
Are filled with sea

Sometimes I'm blind
With everybody's dreams
Push ourselves
Swim upstream

City, City release me

City, City release me
