Bir eda bir ala¹/₂m

Ne kadar masum

Bir a³/₄eyi terkettin
(But you left it)

Avunurken olur olmaz aa³/₄klarla
(While I spent my life with improper loves)
Seni hem sevdim hem senden nefret ettim
(I loved you and I hated you at the same time)

Ne sen unuttun ne ben unuttum
(Neither you nor I forgot it)
Aldatma kendini gel
(Don't keep deceiving yourself, come)
Yana¹/₂yor isin eriyor isim

Eskisinden de beter
(Far worse than before)

(Come come my blond come)
Gel sana aa³/₄a¹/₂a^oa¹/₂m gel

Gel gel gana¹/₂a³/₄a¹/₂a^oa¹/₂m gel
(Come come my sunshine come)
Gel sok kara¹/₂a³/₄a¹/₂a^oa¹/₂m gel
(Come, I'm so confused, come)

Gel sana aa³/₄a¹/₂a^oa¹/₂m gel
Gel gel gana¹/₂a³/₄a¹/₂a^oa¹/₂m gel

Bir atea³/₄ ki alev alev yanar isimde
(This is fire burning with flames inside me)
Saa¹/₂na¹/₂n kokusu kalda¹/₂ ellerimde
(The scent of your hair is still on my hands)

YataaÂ°aÂ½mda deli gibi daner dururum
(I'm turning in my bed crazily)
DolaaÂ¾aÂ½r sanki hayalin hala benimde
(Like your vision is still touching my body)

Ne sen unuttun ne ben unuttum
Aldatma kendini gel
YanaÂ½yor isim eriyor isim eskisinden de beter
