Paint your wishes
Into my blue sky
Spread your wings and
See how we fly

Let your sins float
They'll never get back so
Say your prayers
And then let go
Let go

Oh Ooh
It's all so beautiful
I hold you so close
How did you find the door
To my soul
I will never let you go

Oh Ooh
It's all so beautiful
I hold you so close
How did you find the door
To my soul
I will never let you go

Ooh
You're so beautiful

And the kisses
Wake up feel the sweet bliss

Tell me baby
What your dream is

Our thoughts are fading
The deeper we dive
Lose yourself
On my side
My side

Oh Ooh

It's all so beautiful
I hold you so close
How did you find the door
To my soul
I will never let you go

Oh Ooh
It's all so beautiful
I hold you so close
How did you find the door
To my soul
I will never let you go

Cause you're so beautiful
Spread your wings and see
How we fly
