Yea buddy rollin like a big shot  
Still same nigga who yo bitch got dick hot  
Make my own beats nigga I am hip hop  
Burner in the hand make my muthafuckin wrist hot  
Discovery channel fly shit on the eagle  
I don't give a fuck shit on yo ass like a seagle  
Lets my nutt hang ears on a beagle  
And the shit I msoke better not be legal  
Big shit nigga max keeble  
Life is just the fast lane and so I live like tivo  
I aintmikey but you know I rock  
And I nvr run in packs catch me in a flock  
Swallow gulp yo down like yoshi  
And when I make hits everybody wanna promote me  
Big wheels like a plasma  
I'm always bad for you like asthma  
I got a question how come all I cut is slappers  
And it's money over bitches with all even factors  
I'm on top of my green like a tractor  
Stickin to the script like a muthafucking actor  
Get a lot of respect like a pastor  
Poof be gone and ya bitch dissapear like caspor  
Leave ya left behind like a god damn rapture  
And I don't care what a nigga say I'm a bastard  
Switch the game up nigga rapper backwards  
And I dnt write scripts nigga I write chapters  
And I'm the sickest and yu can ask the nurse  
R.I.p to fucking young jayes verse like  
Hey

I'm life of the party too short  
Been rappin for some time and too me this a coo sport  
I does what it do nigaa I do it do it  
And I got bros if we ever get into it  
It seems like everyone like my music  
Make ya bitch fall in love like cupid  
Fresher to death and I'm sharper then a toothpick  
I'm ballin and yu niggas just can't juke it  
I'm not fresh nigga I'm ruthless  
I make hits nigga not just music  
Cuttin some shit keepin tallies  
We the best nigga dj khaled

Put yo bitch to work nigga ballies  
I'm always good like fries from rallies  
I get the party poppin like faze  
Yu gets no where with ya songs like a maze  
Dippin doin donuts and I aint tlkn glaze  
Rollin like a big shot good livin in a big place  
Big shot tinted windows black wheels  
On my iphone fucking cuttin mac deels  
Hotter then a flame colder then the chills  
Do yu noe how being strapped feels  
See monster nigga spitting from a gill  
Always on but I'm never sitting still  
50 cent I still kill  
My middle name is guap and I still bill
