[Verse 1: Young jeezy]

I said I'm higher than a muthafucka, right now

I'll shot a nigga dead in his shit, right now

They thought about a law, but I don't see how

Pull up in my car, and the bitches like WOW!!

And was me a Fa-Bezi, he on 3 pills

Rena Gochenasha, need another 3 mil

Bitch you better chill, can't you see I'm floss

Fedarally's on me, so I pause for the boss

All these feds keep lookin' at me

Slowin' down the trap, make it hard for a G

Gotta bitch on Bankhead, nothin' but a Dankhead

Slide thru on tha late night, she give good head

It was me Slick P, you know we ran a train on her

I.O.U., you know we ran the game on her

Mac 11 cock, and the A R steady

Run up on me, muthafucka I'm ready

[Bridge: Fabo (of D4L)]

Geek'd Up, Geek'd Up, Geek'd Up, Geeked Up

I'm Geek'd Up, Geek'd Up, Geek'd Up, Geek'd Up

[Verse 2: Fabo (of D4L)]

Star Trek, Star Trek

Scotty don't wanna give a star back

I'm in tha zone, and I bought me a star gack

And I'm really geek'd up, that's a star fact

I'm startin' to see spaceships on Bankhead

I roll wit gangstas, pill poppas, and dank heads

I got partners like Worm, Lil' Boom, Buddy, and
Famous
I got sistas like Yasmine, Chocolate, Porcha, they
dangerous
I fly like blaze, when I'm burning purp
Real powder heads, we burning hurt
Geek music, I'm earning turf
While you football soft, like nerf

[Chorus: Fabo (of D4L)]

I'm in tha zone, I gotta see my doctor, Scotty's calling
me (Scotty beam me up)
I'm in tha zone, I wanna fly morning, noon, and night
I'm Geek'd Up, Geek'd Up, Geek'd Up, Geeked Up
I'm Geek'd Up, Geek'd Up, Geek'd Up, Geek'd Up

[Outro:]

I'm Geek'd up, I can't make it on my own
I'm Geek'd up, I wish these haters leave me alone
Help me, help me, help me, help me
Help me, help me, help me, help me (I just wanna be,
free)
