When we got I keep my strap in a leather bag

Shorty wanna ride with me

And when we get done with that we can get mo money
Confession like Usher, boy I got it bad
Every other day I gotta buy ma baby girl a bag
All I need in this life of sin, is me and my girlfriend
And a couple million dollars... ladies if you feel me
holla
I said ladies if you feel me holla
Yeahhh

[Chorus]

[Young Jeezy:]
I got my mind on my money, hard on my girl
You know baby girl she ma world
And she will never tell up that on my momma
She say she loves me and that's death before
Dishonor!
And that's the only way we know how to rock,
Go head baby show em the rock.

[Rasheeda:]
I love ma nicca tell the day I die
No matter what I'm a be right by your side
I neva snitch I take it to ma grave, long as you got my

If you ain't got a real nicca then you can't relate
Ma baby told met hat these jealous hoes love ta hate.
