Niggers Tom Sawyer
Got a lot of chips and a whole lot of lawyers
Go get the... we got something for you
CTE nigger that's the end of price
We've been stocking out nothing but the green guys
Walk upon your functionalism suit and ties
They hit the black in 87 until the sun rise

The voice box... get your clip for
You saw my neck you saw my chest
You saw my ribs and arms
So that's the last thing you see
Before I squeeze it all
