[Verse1:]

It's like this 28 was meant to be  
I'm doing something mean to it  
Doing better then any nigga you ever seen do it haten  
from the fuck niggas  
Got a nice ring to it I guess every real nigga needs his  
theme music.

[Chorus:]

No one man should have all this powder  
The watch iced out I can't count the hours  
Y'all trippin and killing off the powder  
Until then fuck them the worlds ours

[Verse 2:]
