[Wiz Khalifa]

yea uh huh, you know what it is
black and yellow [x4]
yea uh huh, you know what it is
black and yellow [x4]

[Chorus]

yeah, uh huh, you know what it is
everything I do, I do it big
yeah, uh huh, screamin that's nothin
when I pulled off the lot, that's stuntin
I rep my town when you see me you know everything
black and yellow [x4]
I put it down from the whip to my diamonds I'm in
black and yellow [x4]

[Young Jeezy]

Brown blunts, black Nike's
3 red bone b-tches and they all dykes
said her girl on the way, she a yellow bone
said she wanna hear me on the black and yellow song
told her guess what? this your lucky day
smoked an ounce with Young Wiz just the other day
Young on the G Mix, should we change the colors
tell 'em hell to the No you pussy muthaf-ckas
remember cop my 1st lamb it was Black and Yellow
you know it had to match the watch so it matched the
bezel
b-tch I just seen Young in a banana peel
got that 50 round clip for that bannana feel
they tellin' lies for a living, I so Roddy White
pull the plug on them n-ggas it was nighty night
outta sight outta mind, b-tch Im in these streets
next summer, helicopter, black and yellow seats

[Chorus]

yeah, uh huh, you know what it is
everything I do, I do it big
yeah, uh huh, screamin that's nothin
when I pulled off the lot, that's stuntin
I rep my town when you see me you know everything
black and yellow [x4]

I put it down from the whip to my diamonds I'm in

black and yellow [x4]

[Wiz Khalifa]

Got a call from my jeweler, this just in
and women love me cause I'm messin' with their best
friends

Not a lesbian but she a freak though

This aint for one night I'm shinin all week bro

I'm sippin cleeko and rockin yellow diamonds

So many rocks up in the watch I cant tell what the time
is

Got a pocket full of big faces

Throw it up cause every body that I'm with taylor'd

[Chorus]

yeah, uh huh, you know what it is

everything I do, I do it big

yeah, uh huh, screamin that's nothin

when I pulled off the lot, that's stuntin

I rep my town when you see me you know everything

black and yellow [x4]

I put it down from the whip to my diamonds I'm in

black and yellow [x4]

Stay fly like how I'm supposed to do

That crowd underneath them clouds, cant get close to
you

And my car look unapproachable

Super clean but its super mean

She wanna ride with them cats, smoke weed, count
stacks, get fly, take trips and that's that

Real rap, I let her get high, she want she feel that,

convertible drop fill, 87 the top peel back

[Chorus]

yeah, uh huh, you know what it is

everything I do, I do it big

yeah, uh huh, screamin that's nothin

when I pulled off the lot, that's stuntin

I rep my town when you see me you know everything

black and yellow [x4]

I put it down from the whip to my diamonds I'm in

black and yellow [x4]
