[HOOK]

It's young jizzle from the bottom of the map
Got a 50 round clip on the bottom of the strap
(ay) [5x]
I do it for the trappers with tha-tha-tha rocks
And them ole G niggas with tha tha tha blocks
(ay) [5x]

[VERSE 1]

Im strapped up, Im iced out
A nigga play, it's lights out
Cost a cool quarter million, that's how you'll find me
Swirvin through traffic with them ghouls behind me
Ya betta call ya crew, you gon need help
Hole car strapped and i aint talkin seat belts
Red cross nigga, yeh we draw blood
Hole team got choppers like a bike club
I don't get mad, i just get money
And laugh at these fuck niggas cuz they so funny
All a gangsta do is stay fresh
45 with the gucci teflon vest

[VERSE 2]

Im on fire the kids outta controll
Competition want me to stop, drop, and roll
Like i got a flame thrower and some gasoline
Set the city on fire thas on everything
I walk around liek i got a grip in my pants
Yeh thas about 10 stacks got half a brick in my pants
Fish scale got papi on speed dial

Ya niggas gettin raped ya still gettin oil base
My flow is bananas, the coop is grape
These Evisu Jeans with the Bathin' Apes
Dessert on the pillow choppers on the night stand
You can roll the dice play with ur life man
