[Hook x2]

Niggas wanna go , we can go nigga I'm talking head up  
Sick and tired of the bullshit and now I'm fed up  
Hatin' on another grown man get your bread up  
We can bread down nigga then keep your head up

See timing is everything  
Right now , you and I watch  
Streets been watching us since '04  
And they still us

[Hook]

Niggas wanna go , we can go nigga I'm talking head up  
Sick and tired of the bullshit and now I'm fed up  
Hatin' on another grown man get your bread up  
We can bread down nigga then keep your head up

Niggas tryin' to take the spot yeah you know they gon'  
try  
You ain't gotta say a word know them numbers don't lie  
I ain't spazzing , I ain't hating, I ain't trippin' I'm just  
focused  
Came back to claim what's mine I think everybody  
noticed  
Ye I know I got a feeling that nigga's really real was  
understood  
Ain't gotta beef said you niggas know the deal  
Got a hole from my partner one time he taught me  
thirty  
Got a nigga wanted 2 way I need another birdy  
I'm a kid when he come to get money kinda nerdy  
Started kinda 6 fifteen without my 7:30  
If it's up to get some real shit you know I'm going in  
Keep your opinions and your comments niggas I can't  
give a damn

Say, that's the way it is  
That's the way it's gonna be  
Baby happy till I'm in the same place as Max B  
For them niggers do your thing dog you know how cats  
be

Anything you wanna know about them things just ask  
me  
See I might be from the ghetto but I'm gonna be classy  
You can hate it if you want but I'm gonna be flashy  
See I do it for the time that I was broken and shit  
Bitches say you want them clothes all week ,you nasty  
See Fox said it best , real niggas don't die  
How you niggas so opinionated you don't know the guy  
If you think you're going forward then you don't know  
the guy  
If you thinking there's a limit then you don't know the  
sky  
You ain't feeling me guess you ain't fucking with the  
game  
If you ain't feeling me I guess you fucking with them  
lames  
Ye you niggas ho how the fuck you gon' doubt me  
Let you niggas see me, how the fuck you gonna out me
