[Intro]

I can't tell you why
I just changed, from one day to the next
I grew tired of everything
So, I decided to express my frustrations
You know what the thing about revolutions is?
You don't plan them, I didn't at least
There just happened to be alot of people that agreed
with me
I happen to be the voice that spoke
They called me El Jefe

[Hook x2]

Niggas wanna go , we can go nigga I'm talking
head up
Sick and tired of the bullshit and now I'm fed up
Hatin' on another grown man get your bread up
We can bread down nigga then keep your head up

[DJ Drama]

See timing is everything
Right now , you and I watch
Streets been watching us since '04
And they still ours

[Hook]

Niggas wanna go , we can go nigga I'm talking
head up
Sick and tired of the bullshit and now I'm fed up
Hatin' on another grown man get your bread up
We can bread down nigga then keep your head up

[Verse]

Niggas tryin' to take the spot yeah you know they
gon' try
You ain't gotta say a word know them numbers
don't lie
I ain't spazzing , I ain't hating, I ain't
trippin' I'm just focused
Came back to claim what's mine I think everybody
noticed

Ye I know yaâ€™ ll feel, is that nigga really real?
Whatâ€™ s understood ainâ€™ t gotta be said you
niggas know the deal
Got a whole one from my partner one time he charged
me thirty
Got a nigga wanted 2 way I need another birdy
Iâ€™ m a genius when it comes to gettin money; kinda
nerdy
Started counting at 6:15 be done by 7:30
If your subject is some real shit, you know Iâ€™ m goin
ham
Keep your opinions and your comments niggas I
canâ€™ t give a damn

[El Jefe]

I wasnâ€™ t surprised to find my enemies.
I could see the "el odio" in their eyes.
They wanted to stomp me for my accomplishments.
I thank them though, because without them, I
wouldnâ€™ t have no one to stand above.

[Verse 2]

Say, thatâ€™ s the way it is
Thatâ€™ s the way itâ€™ s gonna be
Wonâ€™ t be happy till Iâ€™ m in the same place as
Max B
For them niggas do your thing dog you know how cats
be
Anything you wanna know about them things just ask
me
See I might be from the ghetto but Iâ€™ m gonna be
classy
You can hate it if you want but Iâ€™ m gonna be flashy
See I do it for the time that I was broke and ashy
Bitches say you want them clothes all week ,you nasty
See Pac said it best , real niggas donâ€™ t die
How you niggas so opinionated you donâ€™ t know the
guy
If you think youâ€™ re going forward then you donâ€™ t
know the guy
If you thinking thereâ€™ s a limit then you donâ€™ t
know the sky
You ainâ€™ t feeling me guess you ainâ€™ t fucking
with the game
If you ainâ€™ t feeling me I guess you fucking with
them lames
Gave you niggas hope how the fuck you gonâ€™ doubt
me
Let you niggas in, how the fuck you gonna out me

[El Jefe]

I knew that nobody could stop me.
I knew that I would make it through this pointâ€¦
Yo sabÃa como jefe
El Jefeâ€¦ I represent everbodio.
I say, look at me, because Iâ€™™ m here right now.
Yo estoy aquÃ
And I will be present, and Iâ€™™ ll be here permanently.
[Speaks in spanish].
Se acabÃ³
Es El Mundo
