I know you aimin for me I can see it in your eyes
If you said fuck me now I won't even be surprised
Everybody ain't real and I had to realize
That you hating ass nigga, just the devil in disguise
Don't see no evil, hear no evil
Catch me riden dolo I got 2 dessert eagles
Don't see no evil, hear no evil
Catch me I shot and I got 2 dessert eagles

Stevie J face on you pussy niggas, I'm focused
Grab my sludge hammer im about to crush em all, they
roaches
You can have them niggas hunt your ass down like
poachers
Got them looking for ya ass in broad day they vultures
Y'all what the fuck's with all the hate, thats treason
see how I tell you pussy niggas to your face ,can't beat
me
Real nigga all day every day, that's Jeezy
Gotta love her for this evil hard shit,that mimi
Nigga I can feel the hate in the air, I smell it
Fuck you mean what I know about hope I sell it
Dear God protect me from these demon niggas ,they
here
Why you think them streets brand for you nigga ,they
need you.
