[Chorus]

Go hard or go home [x16]

[Verse 1]

As I get comfy on the track  
Rather fuck wit raw wouldn't comfy wit the crack  
Yea, never clumsy wit the pack  
That's prolly why a nigga so clumsy wit the stacks  
Yea, so clumsy wit them racks  
Though I aim anywhere so clumsy wit the straps  
Half a life sentence a half on my lap  
Plus I got half of the task on my back  
They ain't got nuttin but time, the fuck is that  
I'd rather be in jail then broke, this shit is wack  
Jizzle only word for ya dog, this shit is crack  
Use to hide em up in my crib, the real is back

[Chorus]

[Verse 2]

Peel the top off the pot jus like a lobster  
Off white substance side n it aint pasta  
Damn right he know what he doin look at his posture  
Man we jus happy we back nigga I got ya  
What u got in ya trunk sound like an opra  
Way u stay stuntin on niggas deserves an Oscar  
Yo I smoke all day jus like a rosta

And u know its M.O.B. live like a mobster  
Tell me how them project niggas live like the doctors  
Studied them projects niggas we got our doctorates  
Yea the streets write a book I be the author  
Think I'll call it SLP stunt like my patnas

[Chorus]

[Verse 3]

Dear lord heavenly father please forgive me  
Can't turn back on em now these niggas feel me  
Never dream of lettin em down that shit'll kill me  
First year the money was dirty but now it's filthy  
Dear heavenly father you know the real me

The use to hide it in the attic half a mill me  
The use to get it in before the deal me  
Now niggas actin like I owe em tell em bill me  
Back up on our grind we put the worst behind us  
No direct eye contact he might blind us  
Risk it all everyday of the week so don't remind us  
Street niggas we be in the streets that's where ya find  
us

[Chorus]
