Go go go
Go go go

Red light, stop
Yellow light, slow down
Green light, go ahead
Little with the flow show 'em that you ain't scared
(This white chick so pretty)

Damn she go go go go go go go
Damn she go go go go go go go
Damn she go

Damn she go, put 'er on the block
Here she hoe, gotta get paid
That's how I make a livin'
Fuck 'er first night, that's how I make a feelin'
Take away the ceiling minus the roof
You niggas ain't real, minus the truth
I'm with my nigga Jeezy and it's little breezy
All a nigga wanna do is fuck this kisky
I got the hood on my back, put the hood on them
records
Got the shop on my lap, put some good on my sack
Click clack pow pow
Here let a nigga trip
I but it wide open like it's pussy in the clip
And for these last few days
How you've been? Doin' shit bt gettin' paid
I got a bitch, she like my sway
When she take it to the grave
And she gon stay cuz I'm payin', nigga what?

Red light, stop
Yellow light, slow down
Green light, go ahead
Little with the flow show 'em that you ain't scared
This white chick so pretty

Damn she go go go go go go go
Damn she go go go go go go go

Damn she go

Man she go, damn she a pro
Woman in the street with that home she a hoe
Put her on my free squad, damn she a freak
Had to put her on my geek squad, she a geek
Need something for my head, say she a head doc
Said she got something that will keep my head pop
When this goin' forward, got a PhD
She don't play no games like a mp3
Lookin' fantastic when I met her in traffic
Murder hit the lights like I'm ridin' in a casket
Why you won't let me ride with you in the coop?
Bitch, you wasn't there when I was ridin' on the roof
You know I'm good on the good, absolutely on the
vodka
Mean, got a ass, absolutely kind of blocka
Niggas right behind me absolutely havin' choppers
Once you get her start you absolutely gotta stop 'er
Damn she

Red light, stop
Yellow light, slow down
Green light, go ahead
Little with the flow show 'em that you ain't scared
This white chick so pretty

Damn she go go go go go go go
Damn she go go go go go go go
Damn she go

I rap so quick around your favorite rapper, bitch I'm the
shit
Got the west on lock, got it under my armpit
This lap right here go crazy, not your typical ordinary
Under my pillow was a Glock, got no money from the
tooth fairy
I'm something special, call me special wade
I ain't rap too tight, I'm thought in the head
Beat the pussy up like it stole something
Bitch you go to work like you owe me some
Fully developed, she take after her mammy
Tits, tips, bammy
Everybody ain't able, her booty shake like a tomato
I'm an OG, she 19, that ain't rockin' the cradle
Wanna be the boy in your life, boy, workin' man
Man, I need you to hold this pistol when it's contraband
We on this band Julio and we zip a drop
Executive brash papers so roll up hoe

Red light, stop

Yellow light, slow down
Green light, go ahead
Little with the flow show 'em that you ain't scared
This white chick so pretty

Damn she go go go go go go go
Damn she go go go go go go go
Damn she go
