(Bridge x2)

Hella ice, hella ice, bitch

Hella ice, hella ice

Hella ice, hella ice, bitch

Hella ice, hella ice

(Verse)

Walk in the club lookin like a kingpin

Lame niggas gotta tuck they whole piece in

Smellin like money, dammit I'm reeking

Wanna keep yo hoe then you should go ahead and
leave then

Take a look at a motherfuckin boss

Crucifix with the frost - the only time I get crossed

Try to rob me? Fuck around and get chalked

Put a price on yo life, fuck around and get bought

Invisible set, it's visible to my neck

The same set on the band, I'm the invisible man

OG's remembered well when I was flippin them grands

Now they glance at the watch and say you killin a man

That bitch you thinkin is the one, just look twice

D is shit in the dark so I can look bright

Even independent, they was like no peace sign

I was just rockin all the best shit dope could buy

(Hook)

My niggas rock hella ice, hella ice, bitch

Hella ice, hella ice, whole clique

Hella ice, hella ice, bitch

Hella ice, hella ice

My niggas rock hella ice, hella ice, bitch

Hella ice, hella ice, whole clique

Hella ice, hella ice, bitch

Hella ice, hella ice

My niggas rock hella ice

(Verse)

I rock ice, get money, fuck bitches

Last nigga I knocked out got stitches

Try to rob me, getting popped with no witness

Drink so much, nigga probably got no kidneys

The OG's know me
Shoot first before you get shot - that's what the OG's
told me
I'm on the block shootin hella dodge
Hanging with my niggas like Vanilla Ice
Uh, 7/11 when I come out
Takin all yo money til you run out
Run up in yo house and make you run up
Those are things that happen when them niggas bring
them guns out
Yo VVS's ain't VVS
Why yo gold turnin rose?
Come to my coast so you can get the message
I'm onto these hoes

(Hook)

My niggas rock hella ice, hella ice, bitch
Hella ice, hella ice, whole clique
Hella ice, hella ice, bitch
Hella ice, hella ice
My niggas rock hella ice, hella ice, bitch
Hella ice, hella ice, whole clique
Hella ice, hella ice, bitch
Hella ice, hella ice
My niggas rock hella ice

(Verse)

Hella ice, diamonds so flooded in the Rollie I can't even
tell it right
I'm still the same nigga, still live the ghetto life
I ain't mad but these hoes think I'm pissed with this
yellow ice
She see my bracelet, I'm fuckin
Got jewelry stores peepin cuz they want us as they
customers
Yo bitch say I'm a boss and you the weakest link
Bought er Don P, told we drink the drink
Hella ice boys, call us the mob
Jesus piece, oh my God
You see a nigga shinin better close yo eyes
Cuz if you keep starin, girl you goin blind
Hella ice, hella ice
Niggas cold like I'm in the light, get it right
Hella ice, bitch don't make me tell the price
Can't believe her eyes, I had to tell er like€!

(Hook)

My niggas rock hella ice, hella ice, bitch
Hella ice, hella ice, whole clique
Hella ice, hella ice, bitch
Hella ice, hella ice

My niggas rock hella ice, hella ice, bitch
Hella ice, hella ice, whole clique
Hella ice, hella ice, bitch
Hella ice, hella ice
My niggas rock hella ice

(Bridge x2)

Hella ice, hella ice
Hella ice, hella ice, bitch
