Everybody wanna be like me
Ya'll can be like me
Look at my watch
Look at my wrist
Nothin' like ya man he ain't shinin' like this
Nothin' like ya man he ain't grindin' like this
And even if he was, he ain't fuckin' with cuz

I got so far from the bottom couldn't even see the top
Just as soon as a fill the trap I'm rippin' up every block
I'ma good god fearin' man with a criminal mind state
Ain't nobody gave a shit and thats why we grind weight
My grandma off in the church while I'm in the
refrigerator
In search of the baking soda right next to the mashed
potatoes
She prayin' for better days I'm prayin' they take this
water
Realest and stun and ship put that day on my mothers
daughter

My ambitions as a hustla
(I won't deny it, I won't deny it)
My ambitions as a hustla
(I won't deny it I'm a straight hustla, I won't deny it)
(I won't deny it I'm a straight hustla, I won't deny it)
(I won't deny it I'm a straight hustla, I won't deny it)

It's Mr. Trap or die yeah y'all remember me
First album was a classic them critics weren't feelin' me
Now as far as award shows we all know how that goes
So what's all the doubt about because he ain't sellin'
out
Because he ain't givin' up because he don't give a fuck
Because he ain't changin' up I guess he ain't lean
enough

And just know I'm savin' up let you play with my sanity
Gives a fuck what you think of me unless you feedin'
my family
Mother fuck all my enemies one time for my mini me's
Listen to these niggas I bet you hear plenty me

I'm who they pretend to be the one they pretend to do
See me I'm a hustla I do what my hustlaz do

My ambitions as a hustla
(I won't deny it, I won't deny it)
My ambitions as a hustla
(I won't deny it I'm a straight hustla, I won't deny it)
(I won't deny it I'm a straight hustla, I won't deny it)
(I won't deny it I'm a straight hustla, I won't deny it)

Might not just be the best just know I plan to be
I refuse to let suckers win but that's just the man in me
Look it could be the G in me these niggas ain't seein'
me
Unless they seein' me in traffic and somethin' topic
and drastic
I say I grind like there 10 of me swear to god there's
just one of me
Look I know I ain't there yet just know that I'm gonna be
I couldn't wait to see the day I could change where my
momma stay
Put the b.s. behind me there's too much money in front
of me

My ambitions as a hustla
(I won't deny it, I won't deny it)
My ambitions as a hustla
(I won't deny it I'm a straight hustla, I won't deny it)
(I won't deny it I'm a straight hustla, I won't deny it)
(I won't deny it I'm a straight hustla, I won't deny it)
