[Hook] x 2

Donâ€™t miss this jet hoe
Donâ€™t miss this jet hoe
Donâ€™t miss this jet hoe
Donâ€™t miss this jet hoe
Talking jet life to the next life
Jet life to the next life
Jet life to the next life
Jet life to the next life

Good niggas they die young
Real niggas they die rich
Lifeâ€™s a slut, dirty hoe,
Either way, I can't bitch
Kick back with 3 females
Porsche out front getting details
That president in that presidential
Big face and thatâ€™s detail
Whole thing thatâ€™s wholesale
Kush louder than a door bell
Popped up in your town
With the whole flow at the hotel
Trump towers Iâ€™m sky high
One wish I die high
Gold cask when they carry me
Donâ€™t cry when they bury me
4 whips got no tops
Louie loafers, got no socks
Canâ€™t sleep without the cameras on
On the boat pillows got both glocks
Condos on top floors,
Back shots best sex hoe
G4â€™s on runways,
Donâ€™t miss this jet hoe

[Hook] x 2

Donâ€™t miss this jet hoe
Donâ€™t miss this jet hoe
Donâ€™t miss this jet hoe
Donâ€™t miss this jet hoe
Talking jet life to the next life
Jet life to the next life
Jet life to the next life

Jet life to the next life
(Curren\$y)
Top of the moaning (morning)
I'm on top at the moment
I kicked the industry door (doe) in
I made a way for my homies
A couple sucka niggas supposedly plotting on me
Not felons, more phoneyes
Not beef that's more bologna
No time to spend on it
I'm out chasing this money
No time for them monkeys
More sosa, less tony
Your girl wanna hop on it
Can't hide I bet she want it
Ferrari 599, your bitch wanna ride my pony
[Hook] x 2
Don't miss this jet hoe
Don't miss this jet hoe
Don't miss this jet hoe
Don't miss this jet hoe
Talking jet life to the next life
Jet life to the next life
Jet life to the next life
Jet life to the next life

(Lil Wayne)
Prepare for take off,
Young money in the front like the pace car
Young Tunechi got the blunt, I need a copilot
Throw the snitches off the jet
They going sky diving
I'm at a skateboard session
Bitch I be so high I can meet George Jetson
Hoes in the cockpit, when truck fit
Jet life, no turbulence
[Hook] x 2
Don't miss this jet hoe
Don't miss this jet hoe
Don't miss this jet hoe
Don't miss this jet hoe
Talking jet life to the next life
Jet life to the next life
Jet life to the next life
Jet life to the next life.
