[Verse1:]

It's like this 28 was meant to be
I'm doing something mean to it
Doing better then any nigga you ever seen do it haten
from the fuck niggas
Got a nice ring to it I guess every real nigga needs his
theme music.

[Chorus:]

No one man should have all this powder
The watch iced out I can't count the hours
Y'all trippin and killing off the powder
Until then fuck them the worlds ours

[Verse 2:]

Daydreamed of bein king pined
You niggas gone king me cause I'm the king then I'm at

We grind, and other than that motherfuka we shine.

[Chorus:]

No one man should have all this powder
The watch iced out I can't count the hours
Y'all trippin and killing off the powder
Until then fuck them the worlds ours
