Verse 1

They like young where u been niggaz acting like I got
ghost

Till I came back in that black on black phantom ghost
Looking better the picasso ya'll should frame me
Killing niggaz kunte kinte ya'll should hang me

Rap game fucked up but u can't blame me
Seen em come seen em go U kno how the game be
Snowman's back young u to wild
Had to switch it up man niggaz tryna steal the style

Anyway any how the stering wheel black and mild
Make the broad back that ass up think I'm juvenile
My leather to soft just like wayne and baby nem
Teacher ask me what I wanna be told dat bitch a atm
Dream was to turn my whole block into a cvs
Can't trust then broads around the way them bitches
devious
Drop it in watch it make it circle like a dvd
62 and 1 25 half a quarter key

Rap game fucked up but u can't blame me
Seen em come seen em go U kno how the game be
Snowman's back young u to wild
Had to switch it up man niggaz tryna steal the style

Anyhow anyway it's snitches born everyday
Best thing to do is get yo money and stay out the way
Hustla of the year damn right let's be very clear
If u sell them brick to rocks to stone now it's belvedere
Posted on the block with the choppas guess it's voka
now
Hard slowed up niggaz switched playing socca now
Do it for the killa and the dealers kno u heard of me
Young came back to save the day see the urgency

Rap game fucked up but u can't blame me
Seen em come seen em go U kno how the game be
Snowman's back young u to wild
Had to switch it up man niggaz tryna steal the style
